

Help make Warren a greener place with a free tree!

RI Energy Saving Trees Program is now open!

The Rhode Island Department of Environmental Management (RIDEM) is teaming up with the Arbor Day Foundation to give away 1,000 trees this spring.

The trees are approximately 4- to 6-feet tall and will be distributed in 3-gallon containers for easy transport. The RI Tree Council will provide planting and care instructions.

Registration opens March 28 and is required in order to reserve a tree. For more information and/or to register for the program, visit www.arborday.org/RIDEM.
