### Acknowledgement of Rights of Appeal

The Building Official/Zoning Officer for the Town of Warren, Rhode Island has informed me that pursuant to the General Laws for the State of Rhode Island, that anyone aggrieved by a decision of the Zoning Board of Review shall have appeal rights. The aggrieved party has twenty (20) calendar days to appeal this decision of the Zoning Board to Superior Court.

As of this date, the written decision for my project has not been completed nor signed by the Chairman of the Zoning Board. I understand that the twenty (20) calendar day appeal period begins when the written decision is signed by the Zoning Board Chairman and duly recorded in Land Evidence records in the Warren Town Clerk's Office.

By signing below, I understand that I may obtain a building permit for my project however; I realize that any work undertaken prior to the expiration of the twenty (20) calendar day appeal period is done *at my own risk*.
